

Daily times tables practise					
<p><b>Maths</b> Mon-Fri</p>	<p><b>Monday</b></p> <p>Multiply fractions.</p> <p>Use the fractions poster to find the answers to these questions.</p>	<p><b>Tuesday</b></p> <p>Multiply unit fractions by an integer.</p> <p>Find the answers to the questions on the classroom secrets sheet. Use the diagrams to help you find the answer.</p>	<p><b>Wednesday</b></p> <p>Multiply unit fractions by an integer.</p> <p>Continue with the sheet from the previous day.</p>	<p><b>Thursday</b></p> <p>Multiply unit fractions by an integer.</p> <p>Attempt the questions for the Reasoning and Problem Solving Sheet.</p>	<p><b>Friday</b></p> <p>Roman Numerals and Times Table Practise Test.</p> <p>Times Table test can be done on TTRS.</p> <p>Use the Roman Numerals Poster to help you find the correct answers.</p>
	<p>Daily Reading (15-20 mins) and spelling practice - (Year 5 and 6 Statutory words)</p>				
<p><b>English</b> Mon-Fri</p> <p>Choose one-a-day. Rye-Writers is best done on consecutive days. The 2 sessions could be on the same day, then 2 curriculum subjects on the other day.</p>	<p><b>Grammar, Punctuation and Spelling</b></p> <p>This week, we are looking at modal verbs which tell us how possible something is or how possible something is going to happen.</p>	<p><b>Reading Comprehension</b></p> <p>There is some reading comprehension on Planet Earth with questions.</p> <p>Extension: Find any words you are not sure of in the text and check their meaning using a thesaurus.</p>	<p><b>Rye Writers</b></p> <p>Rye-Writers is best done on consecutive days to give the children a break. You can also choose to do the 2 sessions on the same day, and 2 other curriculum subjects on the other day.</p> <p>Please see the website for this week's image.</p>		

You can use an online thesaurus as well.

## Curriculum

### Science

This week, you will need to create an animal that is made up of 2 or more animals combined.

You will need to think of a name for the animal and include facts about it. There is a template for you to write on or use as an example to write your own in your book.

I have also attached an example of a animal fact file 'Unisharktang' to give you ideas.

### Art

Using plants and nature as inspiration, sketch out a range of objects you might find in the garden. This could be the plants that grow, the trees that tower over you or the animals you can see.

Practise sketching with just pencil first of all then have another go, this time colouring in the sketches.

### French

Tell me who is in your family.

Please click link below for assistance with this.

(Paper copy included for those without internet)

Maths and English Super Challenge - If your children want to challenge themselves, please have a look at the following:

There is a further maths challenge for Roman Numerals where you need to identify whether statements made are correct or not.

There is a more challenging activity for modal verbs.
