Arthurian Legends: The Sword in the Stone

This is the tale of how the wizard Merlin saved the infant Arthur and later helped him to become King of Britain.

This legend is presented on a worksheet, allowing children to annotate the text and pick out key features or events. Follow-up comprehension questions are also included.

Having familiarised themselves with the land of King Arthur and Merlin, pupils can then write their own Arthurian legend; a worksheet is provided to help them plan it out.
